Course

“Tinnitus and decreased sound tolerance:
current status and future trends”

SECOND ANNOUNCEMENT

www.kongres.ba

Dear Colleagues and Friends,

It is our pleasure to invite you to the Bosnia and Herzegovina at the "Tuzla ENT School". That will take place in Tuzla, on September 3rd and 4th 2018.

We have planned two very interesting days regarding the Professor Pawel J. Jastreboff Course "Tinnitus and decreased sound tolerance: current status and future trends". Also, at the end of the Course, the round table will be held with international experts about experiences in tinnitus therapy with different approaches.

After the previous meetings, "Tuzla ENT School" in 2018, continues organizing the world wide meetings along with well known international experts in different fields of otorhinolaryngology.

The venue is situated 20 minutes from the international airport by car to Hotel Tuzla. Within walking distance you can find a wide range of accommodation from cheap hotels to the excellent hotel "Mellain".

We look forward to meet you in Tuzla in September,

Best regards

prof. Fuad Brkic, MD, PhD
